

KINGLY EXPORTS

PORTFOLIO

ABOUT ME

I am the founder of Kingly Exports, an India-based manufacturer and exporter of brass hardware, home décor and metal products. I work closely with our production team to develop products, manage manufacturing and finishing, and maintain consistent quality.

Our focus is on delivering reliable, well-finished products for wholesale and international buyers while building long-term business relationships worldwide.

BRASS CASTING

Quality casting for our
handcrafted brass products.

Freshly Cast Brass Components

**Freshly cast brass components,
ready for further finishing and
processing.**

Polishing & Finishing

Brass components are machine-polished to achieve a smooth, clean & consistent finish.

Final Inspection & Packing

**Finished Products
Ready for Packing**

THANK YOU
